

**WOODBURY HEIGHTS ELEMENTARY SCHOOL  
HOME & SCHOOL DIRECTORY**

Dear Parents & Teachers,

On behalf of the Woodbury Heights Home & School Association I'd like to welcome you back to a new school year. I hope everyone enjoyed a great summer and is excited to move ahead into the 2017-2018 school year.

For those that are not aware of what the Home & School Association is, we are a resource of support for the students and teachers of Woodbury Heights Elementary. We fund raise continuously during the school year and return all money raised back to the school. Below are just some of the things the HAS helps with and gives back to the school.

- The HSA has contributed to classroom enrichment in the form of smart boards, ipads, books and gym equipment. Also has helped teachers achieve the financing they need for special projects such as Mrs. Gallanaro for the new STEM program and the schools new Theater Program.
- The HSA also provides luncheons for the teachers bi-monthly and for teacher appreciation week, sends gifts to teachers that are retiring and gives donations to local food banks and for those with major illness and also purchases the yearbooks for the 6<sup>th</sup> grade class.
- The HSA plans assemblies for the student body and hosts fun social events throughout the year such as the Ice Cream Social, Sweetheart Dance and Book Fairs.
- The HSA also contributes to facilities improvements. In 2016 we successfully completed our yearlong goal to install playground equipment and refurbish our schools playgrounds. In 2017 we added more pieces to the playground area as well as the Buddy Bench.

As in previous years, the HSA will be offering a school directory for the price of \$3.00. Please join us at our meetings held the first Tuesday of every month. We love to see new faces! If you have any questions contact me at 856-304-0387.

Sincerely,  
Alicia Sperry

**Please sign and return the bottom portion of this form and return in an envelope marked "WHHSA Directory" by September 22<sup>nd</sup>.**
